

Marco's weekly pixel meeting report

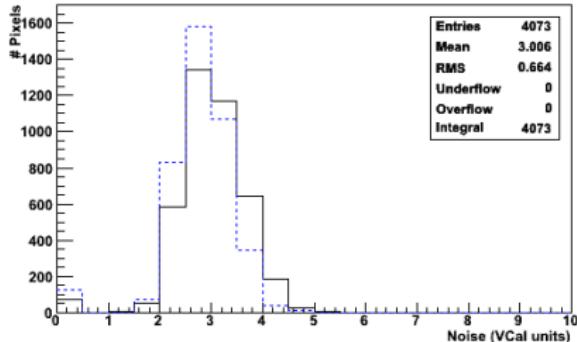

Marco Rossini

Institute for Particle Physics, ETH Zürich

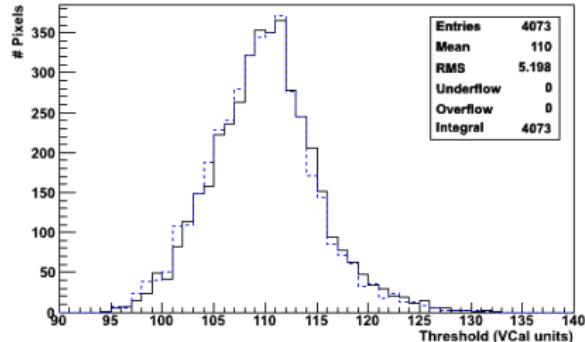

15. December 2011

S-curve test with x-rays

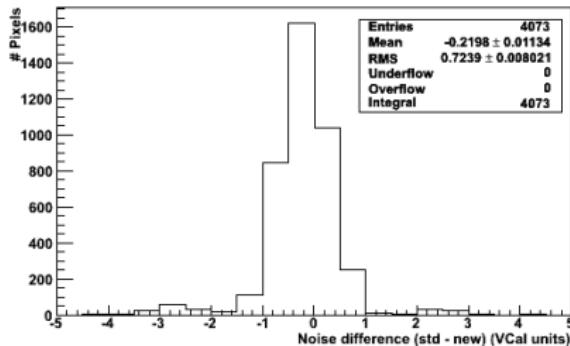

Noise (new method)

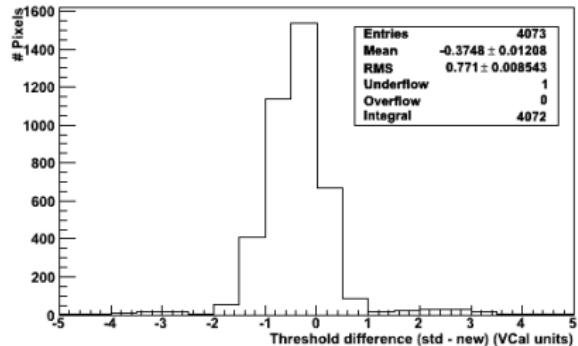

Threshold (new method)

Sigma offset

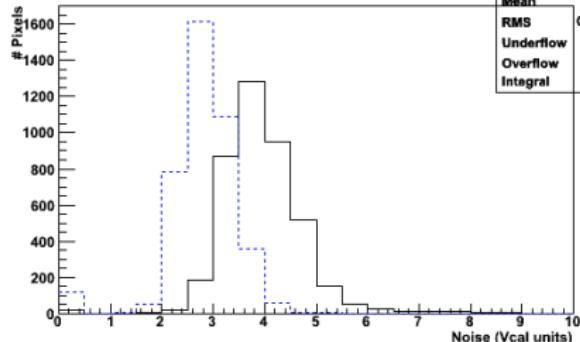

Threshold offset

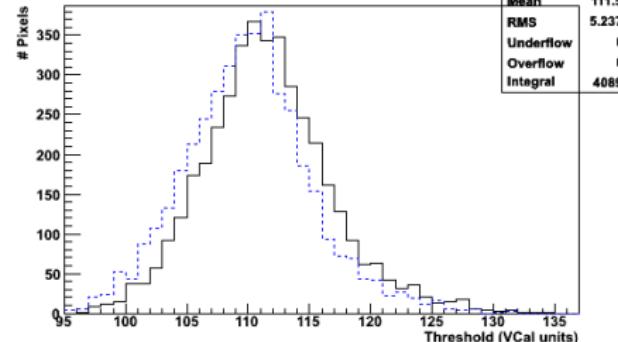

S-curve test with x-rays

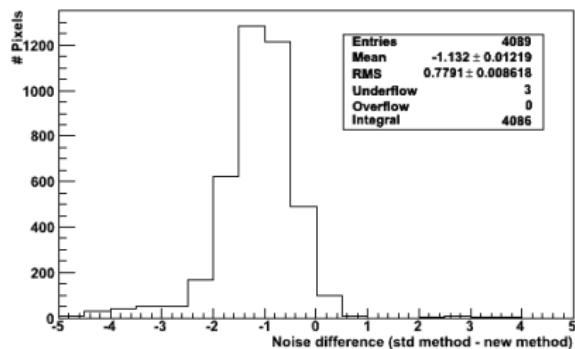

Noise (new method)

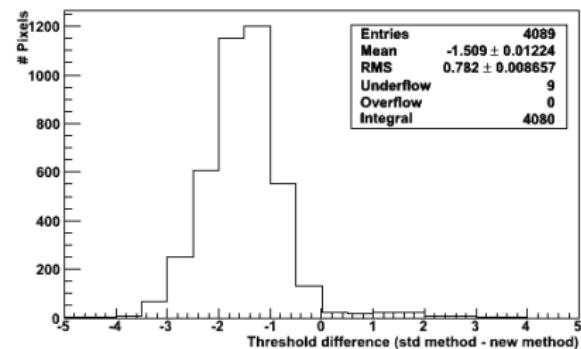

Threshold (new method)

Sigma offset

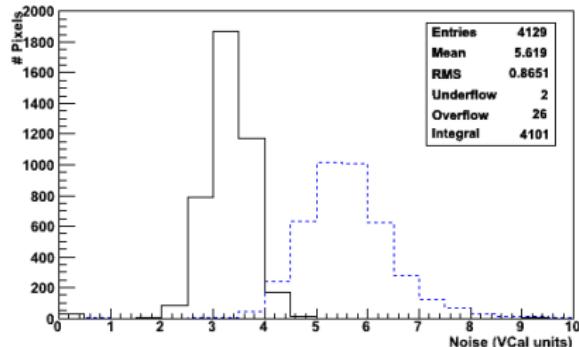

Threshold offset

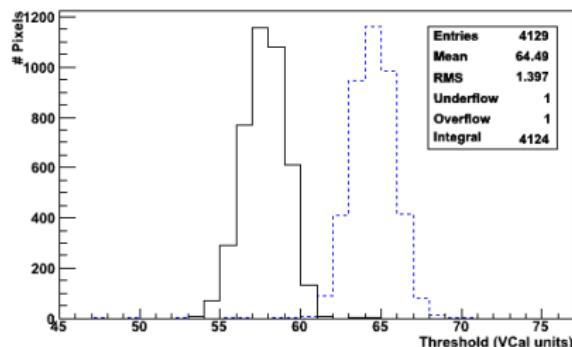

S-curve test with x-rays (trimmed)

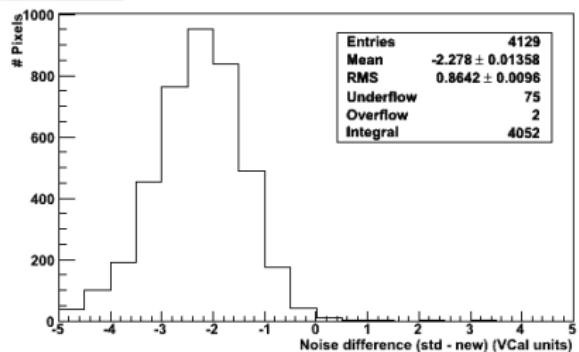

Noise (new method)

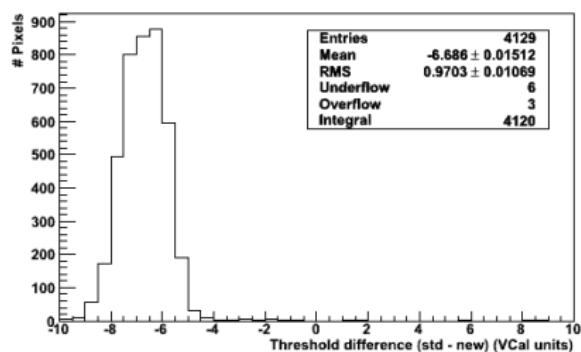

Threshold (new method)

Sigma offset

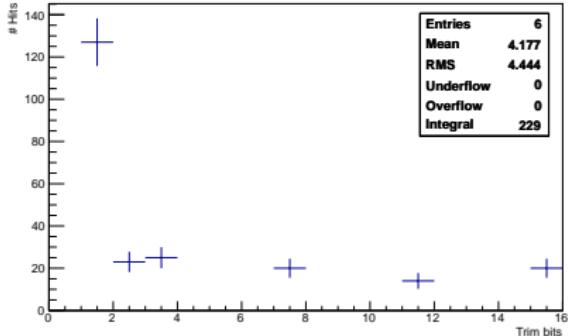

Threshold offset

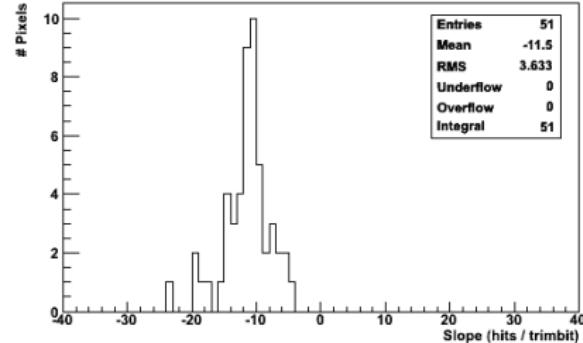

Trimming

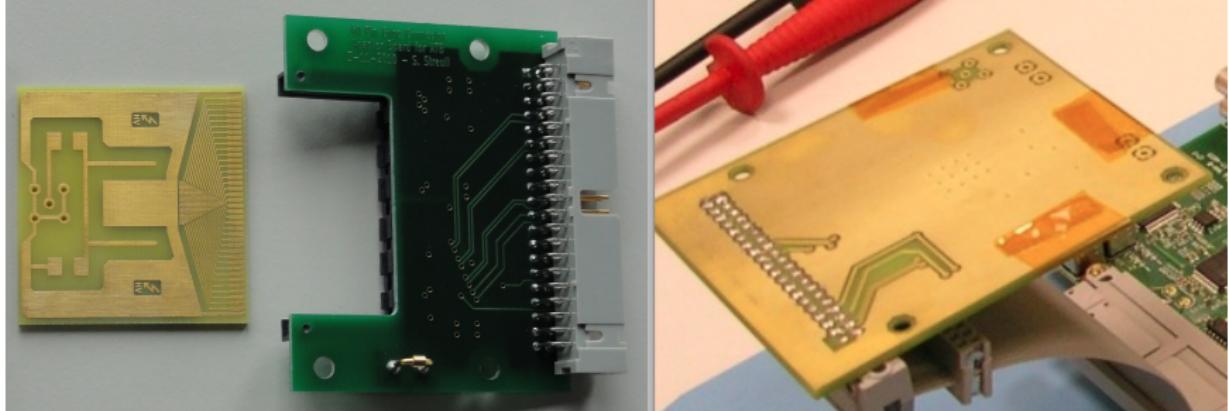

Trim bit scan, single pixel hits

slope

ROC carrier/adapter

X-ray setup
